The DAC is proud to offer our newly remodeled Banquet Hall and Meeting Place for small conferences, showers, dinner parties, and dances, holiday get-togethers, birthday parties, and more.

Our Banquet Hall features brand new carpeting, tables and chairs, a dance floor, and a state of the art kitchen that can accommodate groups of 125 people.

We pride ourselves on a clean, family friendly, non-smoking, and alcohol free environment. All proceeds from Banquet Hall rentals go directly towards member services and programs.

ABOUT US

The Disability Action Center (DAC), formerly The Arc of Marion County, has been providing services to children and adults with developmental disabilities and their families since 1958.

Our fully accessible center located in Fairmont West Virginia, offers a wide range of programs to help our members become independent contributing members of society.

The DAC is a United Way Agency and governed by a volunteer Board of Directors. We are funded by our membership and the support of our state and local community through grants, fundraisers, and donations.

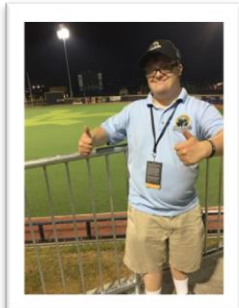

The DAC is a comprehensive education, training, and enrichment center for individuals with disabilities and their families: a place for individuals of all abilities to learn, train, work, recreate, advocate, and be supported in setting and reaching life goals.
