

# Disability Action Center Membership Options

The Disability Action Center is dedicated to providing our members with the best possible year round programs and activities. With expanding programs and offering classes and activities through our Experience Co-Op, Creative Arts, and STEM programs, our membership fee options allow you to take advantage of a wide variety of traditional afternoon classes, morning enrichment programs, afterschool and recreational opportunities, and a tailored Summer schedule. You can choose the membership option that best suits your needs and participation level. Remember, anyone can be a member of the DAC: community members, clients, families, and community partners whose clientele can benefit from our programs.

**Choose the best membership option for yourself and your household based on your involvement with the Center and your future investment in our programs.**

## Individual and Household Investment Options

## Partner Agency Level Investment
